

Conscious Table 5462

FSC® certified solid oak wood

Conscious Table is designed in 1958 by the renowned Danish furniture designers and architects Børge Mogensen and Esben Klint. The table is made of solid FSC® oak wood and can be extended with one or two attachable extension leaves. The elegant table is suitable to be used as both a dining table and a meeting table. It can also easily be used as a desk.

Mater Sustainability Factsheet

FSC® Certified wood

From the very beginning, we have used FSC-certified wood for all wooden products in our collection. In an FSC® certified forest, no more trees than the forest can reproduce are felled, so the exploitation of nature is avoided.

Find our FSC® Certificate [here](#)

Repair for long lasting

Good products, are made to be used. To give the products the longest possible life, we want to make it easy for you to repair them yourself.

Contact our customer service for more info [here](#)

Flat-packed

All tables in our collection are flat-packed, ensuring a more sustainable journey from manufacturer to end customer. Follow the inlay for easy assembly of the table in your home.

Mater Take-Back

We unhesitatingly offer to take all our furniture made from Matek back at the end of its life to recycle it into new furniture.

CO₂ Footprint

At Mater, we believe in the importance of transparency. By doing Life Cycle Assessments (LCA) on our furniture, we can analyse the total climate emission for each of our product's lifespan.
