## DESCRIPTION

Bellport, design Jean-Marie Massaud, est une collection de canapés à l'atmosphère animée et pétillante typique de la région dont il s'inspire. Reconnue pour son bien-être et sa qualité de vie élevée, Bellport est en fait un endroit où non seulement les anciennes usines et les anciens entrepôts sont rénovés, mais avant tout des idées. La collection comprend divers éléments tels que des canapés, des lits de repos, des poufs et des fauteuils qui s'intègrent parfaitement au reste de la collection de jour de Poliform. Extrêmement polyvalent comme une robe large ou étroite peut être, idéal pour la ville et pour des vacances, chaud ou léger, adapté à chaque situation, en hiver ou en été, à Hampton ou à Chelsea.
