Ramos&Bassols

After several years of experience in different fields such as urban furniture, tableware, lighting and office furniture, etc... David Ramos and Jordi Bassols have created in 2004 Ramos + Bassols studio.

Based in Barcelona, they offer a personal view on contemporary design. "We always search the balance between form, function and aesthetics in our products". In the last years, the studio has received several international awards such as: Hospitality Design Product 2010, International Interior Design Association 2010 award, The IF Design award 2015, the Red Dot Award 2015, and the Gold award Best of Neocon in 2016.

Copa Stool

“The Copa stool becomes the square of the circle for the successful family designed by Ramos&Bassols. This new version of the seat represents one of the maxims of the Viccarbe collection: to continue the journey of existing families, providing greater versatility and adaptability to spaces.”
