
Tufty-Time

SOFAS

Patricia Urquiola

Description

Citant les types Chesterfield et capitonné, Tufty Time les actualise et les contamine par un style de vie plus libre et informel. Le système apporte des réponses efficaces aux thèmes de la modularité, du confort et du déhoussable en composant les divers éléments qui font voir le jour à des canapés linéaires traditionnels, d'angle, en presque-île ou îlot qui permettent une assise à 360 degrés. Le revêtement, en cuir ou en tissu, se distingue par une surface formée de grands carrés unis par un pli rond qui, dans la version cuir, est perforé.

Technical information

Châssis intérieur:

tubes et profilés d'acier

Rembourrage châssis intérieur:

mousse de polyuréthane souple obtenue par moulage à froid Bayfit® (Bayer®), housse en fibre de polyester

Coussin dossier (T60_C):

rembourrage : plume + fibre de polyester, tipologie : à oreiller

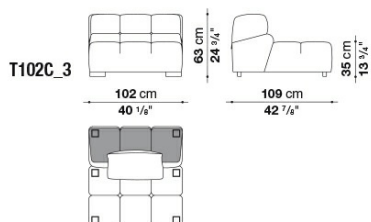

Pieds:

matériel thermoplastique couleur noir

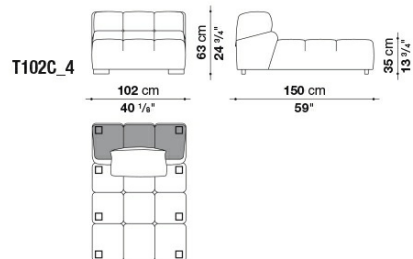

Revêtement:

tissu
