Clean lines meet tactile comfort

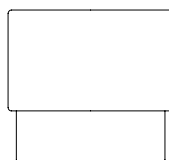

The Silo pouf takes its name from its simple cylindrical shape. A timeless design in all its simplicity, Silo boasts a simplistic silhouette that is stripped of all unnecessary details. Its clean, geometric appearance makes it seem as a blank canvas, allowing it to transform to fit seamlessly into any space or taste according to the chosen upholstery.

Product Facts

Description

Silo pouf is made of cut PU foam glued to plywood boards. The plywood creates stability in the construction while adding a sharp visual profile. The foam creates soft comfort with a firm surface, which opens for more flexible uses e.g. as alternative to a coffee table.
