

LAMPE DE MARSEILLE

Le Corbusier

Designed by Le Corbusier for the Unité d'Habitation of Marseille in 1949/1952, it is an adjustable wall lamp with two joints on the arm and a rotating wall fixing. Also available in the MINI version with reduced dimensions.

Spun aluminium diffuser. Available with matt grey, whitewash or black body, with white internal diffusers.

Direct and indirect lighting output. Double switch on the cable, for a functional and adjustable light output.

LED/HALO/FLUO
